

Karenni State Human Rights Violation Situation

1st to 31st January 2022

The situation in Karenni State is deteriorating every signal day. We absolutely need more assistance and attention. In the past month alone of January 2022:

30 of civilian killed by SAC within January 2022. 10 of 30 civilian were arrest, torture and killed. 8 of 30 civilian were killed by SAC's motor shell and fired during fights in Loikaw town. 5 of 30 were killed by air strike and two of them were young female. 4 of 30 civilian were old women while die by heart attacked during motor shelled nearby their home. 3 of 30 civilian were dead as unidentified reason. At least 11 person injured by motor shell and one was by landmine.

21 of civilian detained and/or missing. 8 of 21 civilian from Loikaw town, 8 of 21 civilian arrest and detained during travel from Loikaw to Naung Shwe town, Southern Shan State. 3 of 21 civilian from (6) mile village and 2 of 21 civilian were missing. There are 8 female amount 21 person detained and missing.

At list 85 of houses/building burned down and damaged within January 2022. 54 of 85 house/building burned down. Two Religion building shelled and one building was burned down.

Up to 170,000 Karenni people flee their home as IDP. Most of IDPs stay in IDP temporary camp and shelter. We estimate up to 45,000 Karenni IDP cross the state bordering to Shan State, Karen State and even in Yangon and Mandalay.

We, Karenni Human Rights Group (KnHRG) ask International Community, UN Agencies, INGOs and Karenni Community across the world to take...

- 1) Assist and Support Humanitarian assistance for Karenni IDP (financial and Protection)
- 2) Impose No Fly Zone.
- 3) Aviation fuel Sanction.
- 4) Impose a global Arms Embargo.
- 5) Targeted sanction including gas Revenue.
- 6) The UNSC must refer the Junta to International Criminal Court.
